SUBMITTAL GUIDE FOR REPLACEMENT OF MECHANICAL EQUIPMENT AND WATER HEATERS

1. A Mechanical Permit application must be completed and submitted.
2. The manufacture's model number must be submitted.
3. **Provide a manufacture's specification cut sheet.**
4. Please indicate if the equipment is natural gas, propane, oil or electric.
5. If any unit requires electric and is NOT plugging into an existing receptacle, an electrical permit application must be completed and submitted. Indicate "new wiring" on the permit application.
6. If any new duct work is to be completed please provide the R-value of the new duct work to be installed.
7. Please indicate if any of the equipment is going to be installed in an attic area. A platform and access shall be installed per code requirements. The attic access must be sized to remove the largest piece of equipment in the attic.
